

Pouch style No 2

This has a coat hanger inserted into the top, with other pouches placed inside.

This pouch style makes for easy exit by animals so they can move around at will. It is favoured by our carers for wallabies, kangaroo, possums and wombats .

- Note the rounded corners at the bottom

This pouch can be made with a variety of materials it can be lined with flannelette or cotton or windcheater material .

You can increase or decrease its size by 10cm-20cm in each direction this allows for animals increased size with age.

- Sewn pouches can be delivered or posted to 37 Kenilworth Avenue Frankston 3199 or donate them to a carer in your area/state.
